

SERVICE & REPAIR

ECARCO has fully launched its new service & repair department and is now offering prompt and reliable service for all of your Electric Vehicle needs. Our in-house mechanics are the best at what they do and can perform full-service maintenance, refurbishing, remanufacturing and upgrades. If you are interested, please call [562-426-4545](tel:562-426-4545) to schedule a free consultation and/or pick-up. We will diagnose your vehicle accurately and correct all issues so that your EV can perform at its maximum efficiency.

Trade-In, Trade-Up

TRADE IN YOUR USED EV FOR AN UPGRADE!

Are you wanting to upgrade your used EV but can't quite afford a brand new one? ECARCO is now offering a trade-in program where you can conveniently trade your used EV for a new one to help lower the cost of your new "ride." Call today to schedule a consultation and appraisal.
